

December 2021

Dear Families and Friends,

As 2021 comes to an end, we are all dealing with changes in our lives of one sort or another. The Alzheimer's Support Network is changing in some major ways!

As you know, we have moved to a wonderful new space after being in our former home nearly all of our 39 years. We are very excited, and we think you will be too as we begin to see you in person after much too long.

Please rest assured that the Network continues to uphold the same mission on which it was founded: to make the lives of care partners easier and enrich the lives of those living with Alzheimer's and related diseases, free of charge. Our concept of making it possible for families to help families will remain. As always, we will offer programs designed to meet your needs. A change in the way that you can access our service is that you will continue to be able to join us remotely as well as in person. Thankfully, we have been able to retain each of our compassionate staff members through the past challenging two years.

Besides our move to 1421 Pine Ridge Road, Suite 100, a major change is in our fundraising schedule. Traditionally, we have asked you to donate twice during the year. That does not change. Last April, we sent our Spring Appeal and you responded generously. In past years, we have held our fundraising event, Elephant Fest, in December. Due to the uncertainties this year, we asked the Naples Zoo if we could move Elephant Fest to Friday, March 11, 2022. Graciously, they have agreed. We are excited about the upcoming event. You will be hearing more about it soon.

Like all nonprofits, we count on donations at the end of each year. Many of you have expressed a willingness to give at this time. Thus, we are sending this letter to explain the changes and as a reminder that we will appreciate your year-end gift, should you choose to make one.

Should you wish to donate online, you will find us here: <http://support.network/online-donations>. You can also call 239 262-8388 or email Help@support.network. Your donation will be go directly to help support our free, local services. Thank you so much for considering this request!

The Network Team, Board Members and Volunteers wish you and your families a peaceful, healthy holiday and many blessings in the coming year!

Gratefully,

Suky Pollard
