

Alzheimer's Support Network

Is proud to announce

Engagement Opportunities in January 2026

This page provides more information about engagement activities at several Partner Sites in our community. The following programs have been created especially for our Support Network families and are appropriate for Care Partners with or without their person with Brain Change. Enjoy time with others who are in a similar situation and learn while participating in tours and activities in these wonderful Naples area attractions.

All of these activities are listed on the [Education/Engagement Schedule Page](#).

For Reservations: Call 239 262-8388, Email Tours@support.network or Sign Up at a meeting. Please share the number of people going and your phone number.

The following programs are in person only at Naples area attractions:

Monday, January 5, 10:00—noon

Meet Me In The Garden features an enriching sensory tour of Naples Botanical Garden followed by a social, plant-related activity. Garden Staff fuse elements of music, art and horticultural therapies into the program **to provide you with opportunities to reminisce as well as create new memories together while forming intimate connections with nature.**

Reservations are required.

Meet at [Naples Botanical Garden](#) 4820 Bayshore Drive, Naples

Thursday, January 8, 3:00—4:00

Conservancy Boat Tour. This informative and relaxing 45-minute electric boat tour along the Gordon River is a wonderful way to enjoy the sights and sounds of life on the river in a peaceful, comfortable way. Boat Captains are well informed, interesting and show us the sights with humor and understanding. We especially encourage you to take this tour if it will be your first time!

Reservations are required

Meet at [The Conservancy of SWFL](#), 1495 Smith Preserve Way, Naples

Monday, January 26, 10:00—11:00

Wonder Gardens Enrichment Program, “*Flourish, Nourish, Cultivate, Connect*”

Join us for an innovative project to help this unique attraction with their mission.

Wonder Gardens is home to a diverse family of rescued, rehabilitated and non-releasable animals. In addition, a vibrant botanical collection helps to provide something to interest everyone! After the activity, you are welcome to tour the gardens.
