Engagement Opportunities in October 2025

This page provides more information about engagement activities at several Partner Sites in our community. These programs have been created especially for our Support Network families and are appropriate for Care Partners with or without their person with Brain Change. Enjoy time with others who are in a similar situation and learn while participating in tours and activities in these wonderful Naples area attractions. All of these activities are listed on the Education/Engagement Schedule.

For Reservations: Call 239 262-8388, Email Tours@support.network or Sign Up at a meeting. Please share the number of people going and your phone number.

The following programs are in person only at Naples area attractions:

Wednesday, October 15, 10:00

Backstage Hollywood at the Marco Island Historical Museum, Tour a special exhibit of the Photographs of Bob Willoughby with the Network and a guide from the museum. Venture backstage into the golden age of Hollywood in this exhibition that explores the photography of Bob Willoughby. Widely recognized as a pioneer of photography in the 20th century, Willoughby was the first outside photographer invited by studios to take photos on film sets. Take a nostalgic look at some of the most renowned actors and actresses on the sets that made them famous: Judy Garland, Elizabeth Taylor, Katharine Hepburn, Audrey Hepburn, and more.
