Medicare Fall Open Enrollment is October 15th through December 7th, 2025.

In the coming weeks many of you will receive notices from your current coverage companies, as well as solicitations for changing programs. On Monday, October 20, Hallie Devlin, SHINE Coordinator, will speak about what is involved in making changes to your Medicare Coverage and how to determine if making a change would be **advantageous to your situation. Any changes you make will become effective January 1, 2025.** At this presentation, Hallie will answer your general questions about Medicare Coverage and how to determine if making a change would be helpful to you.

If you have questions about your specific plans, please make a reservation for a Fall **One-on-One Medicare Counseling Session** on one of the four following Mondays: **October 27, November 3, November 10 and November 17.** One-on-One Counseling Sessions with SHINE will be at the Alzheimer's Support Network, 1421 Pine Ridge Road, Suite 230 by reservation only. The **40-minute sessions will be at: 9:00 am, 9:40 am, 10:20 am, 11:00 am, or 11:40 am.** (If a couple wishes to have help with their 2026 Medicare coverage, they will need two back-to-back sessions.)

The Alzheimer's Support Network is proud of our partnership with the Area Agency on Aging for Southwest Florida and **SHINE (Serving Health Insurance Needs of Elders).** SHINE is staffed by highly trained volunteers who have been extremely helpful guiding our families through the maze of Medicare plan options. We encourage you to take advantage of this free resource if you have questions about choosing a Medicare plan.
